It's party season and we have the space and layout to keep everyone happy, whatever your individual needs.

We love larger parties and want to help make your big group have an awesome time!
So, if you want to chat through any specific requirements feel free to give us a call on 01489 861383.

If you have any allergens in your party let us know so we can work out how to suit your needs – the allergen QR code is below.

Finally, we work with fresh food and whilst we are confident in our menu availability, occasionally our chefs have to adapt the menu slightly if there are unavoidable supply chain shortages in December.

Smaller portions of this menu can be ordered for children under 12. Under 6's can choose from this menu or our regular children's menu to suit their needs.

Scan the QR code for full allergen menu.
